Semester = 16 Weeks; Session I or Session II = 8 Weeks. Sample curriculum plans are subject to change without prior notice.

* Students may earn up to 20 practicum hours in designated courses, but achievement of those practicum hours is not required to complete those courses. Students must complete a minimum of 1,024 post-baccalaureate practicum hours to meet requirements for the Doctor of Nursing Practice (DNP) degree program.

** Credit hours required will vary, depending on practicum hours transcribed from student's master's degree in nursing program. Students must complete a minimum of 1,000 post-baccalaureate practicum hours to meet accrediting body requirements for the Doctor of Nursing Practice degree.

Program/program option availability varies by state/location. Chamberlain reserves the right to update information as it becomes available. Information is current at the time of publication. For the most updated accreditation information, visit chamberlain.edu/accreditation.
